How it works

You need to be a member of JIGSAW Thornbury or a school/relevant organisation to use the SENSory Lending Library. We support families who have children who are 0-25 years old and have any additional needs or disability, with or without a diagnosis. We work with families living within the post codes beginning with BS, BA and GL.

If you aren't already a member, go to jigsawthornbury.org.uk/join-online and fill in the online form.

Step 1: Sign an agreement

Once a year, we will ask you to sign that you agree to our loan conditions, which you can see on the next page. There is also a brief reminder of these conditions when you sign that you're taking an item to borrow.

Step 2: Find an item

- Flip through this catalogue or have a chat with us about what you might like to try. You could also visit one of our drop-in sessions on the 4th Saturday of the month (see open times below).
- Members can borrow a maximum of 5 items at a time, schools/organisations up to 10 items.

Step 3: Pick up and drop off

- Items can be collected and returned at the JIGSAW Thornbury venue: 15/17 St Mary Street, Thornbury BS35 2AB. You will sign to show that you've collected items.
- You can borrow for a **minimum of 1 week and a maximum of 4**, unless we make an exception. The cost of borrowing is calculated by week.
- You can **pay with cash or card** when you collect your items.

Open times

- **Monday - Thursday, 9.30 - 2.30** during school terms (except bank holidays)
- The **4th Saturday of the month**, 11am - 1pm (except August and December)
- Whenever you attend a group at the JIGSAW venue
- If these times don't work for you, contact us to find a slot

Go to jigsawthornbury.org.uk/lending-library to see any updates to our open times

JIGSAW Thornbury SENSory Lending Library Loan Conditions

The borrower agrees to:

1. **JIGSAW Thornbury's Privacy Policy**
2. If you have requested items ahead of time, **collect them during the time slot you arranged**. If you do not attend, we reserve the right to cancel this loan. If the loan is cancelled for this reason, any payment you have made will be refunded. If you fail to attend an agreed collection more than once, we may decide not to allow you to request items ahead of collection; this will not affect your access to other JIGSAW Thornbury services.
3. **Return items in the same condition** as loaned except for reasonable wear and tear (that a reasonable person would judge not to decrease the overall condition/ value of the item).
4. **Return items by the date specified**, unless we agree to extend your borrowing period. Late fees will be accrued for each additional week beyond the due date - this will be calculated as the original loan cost plus 20%. If an item is not returned after three calendar months, you will be invoiced for the full replacement cost of the item.
5. **Assume all responsibility for the proper use and deployment** of the items. The borrower will not modify, or attempt to modify the items in any way. Some items (which are identified with a blue circle in the catalogue) have user guides, which are available on our website.
6. **The borrower is responsible for checking the relevant user guide**. Please supervise the use of borrowed items and understand that JIGSAW can accept no responsibility for injury or damage sustained whilst using the items.
7. **Report immediately to JIGSAW Thornbury should an item develop a fault** whilst on loan.
8. **Be responsible for the cost of replacing or repairing an item** if stolen, lost or damaged whilst on loan. Items will be assessed on return and any damaged deemed unreasonable will be charged for. You are advised to check your insurance and seek additional cover if required.
9. **Be responsible for the cost of consumables** (e.g. batteries).
10. **Notify JIGSAW Thornbury** of any change to your address, phone number or email address.

In the event that the borrower does not comply with the conditions above, JIGSAW Thornbury reserves the right to commence legal action to cover the equipment or its equivalent cost, which will also include the late fees accrued (see point 4 above).

Failure to fulfil the responsibilities outlined above may result in the removal of JIGSAW membership.

JIGSAW Thornbury makes no recommendations concerning the safety or suitability of items borrowed.

Books

For adults

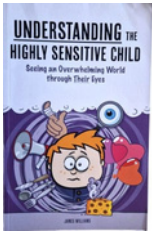

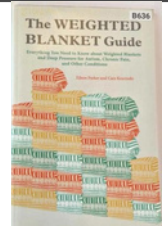

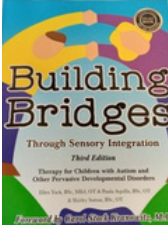

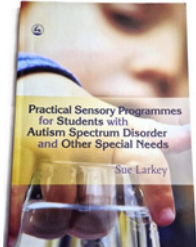

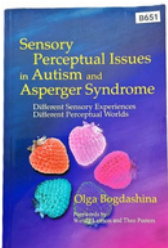

Books

**For adults:
Senses**

Image	ID Code	Name and description	Cost per week	Quality
	B601.1 & B601.2	Interoception: The Eighth Sensory System "Many people take it for granted, but one of the most important skills we have is being able to understand signals from our body. How you know if you're hungry, thirsty, tired, etc. are key abilities to live a healthy life."	£1	B Lightly used
	B603.1 & B603.2	Raising a Sensory Smart Child A handbook for helping your child with sensory processing issues.	£1	B Lightly used
	B628	Sensory Processing 101 This easy-to-read guide is a starting point to gain a better understanding of sensory processing and the body's sensory system.	£1	C Well loved
	B657	Sensational Kids "Hope and Help for Children with Sensory Processing Disorder". Includes the signs and symptoms, its four major subtypes and sensory strategies.	£1	C Well loved
	B658	Too loud, too bright, too fast, too tight Empathetic and practical tools to help those who are 'sensory defensive', meaning they react to harmless stimuli as irritating, distracting, or dangerous.	£1	C Well loved
	B656	The Out-of-Sync Child Has Fun Activities for kids with Sensory Processing Disorder (SPD). SPD isn't currently a distinct diagnosis, but many people with additional needs have difficulties with sensory processing.	£1	C Well loved

Image	ID Code	Name and description	Cost per week	Quality
	B659	Understanding the Highly Sensitive Child This simple, nutshell guide aims to help you experience the world from the child's perspective, so that you can better understand them and help them to grow and thrive.	£1	B Lightly used
	B635	Weighted Therapy: a parents guide This short book covers the basic theory of sensory integration, the various products that are available and how to use them.	£1	C Well loved
	B636	The Weighted Blanket Guide Providing everything you need to know about the use of weighted blankets to help with sensory integration, improve sleep, ease chronic pain and more.	£1	B Lightly used
	B602.1 & B602.2	Building Bridges Through Sensory Integration Techniques and advice for helping children with autism and "other pervasive developmental disorders".	£1	A Like new
	B652	Practical Sensory Programmes for Students with Autism Spectrum Disorder and Other Special Needs A six-step approach to developing a successful programme to help children cope with sensory input they find overwhelming.	£1	B Lightly used
	B651	Sensory Perceptual Issues in Autism and Asperger Syndrome Attempts to define the role of sensory perceptual problems in autism and offer techniques for assessment and intervention. [Note from the Librarian: Asperger Syndrome is no longer diagnosed and is considered part of the autism spectrum. This book was published in 2003, so some information may be out of date.]	£1	A Like new

Books

For adults:
Autism

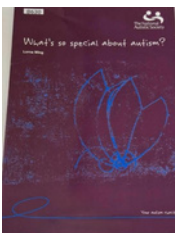

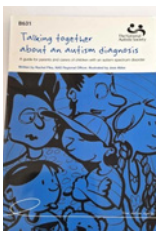

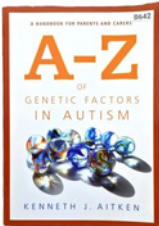

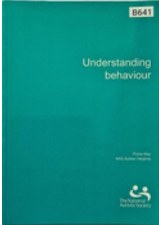

Image	ID Code	Name and description	Cost per week	Quality
	B630	What's so special about autism? Discusses characteristics of autism and how these affect the type of services people with autism may need to access in order to live their lives to the fullest. Published by The National Autistic Society	free	B Lightly used
	B631	Talking together about an Autism Diagnosis A guide from the National Autistic society for parents and carers of children with an autism spectrum disorder.	free	B Lightly used
	B642	A-Z of Genetic Factors in Autism A complete overview of the genetic disorders commonly associated with autism. Demystifies the umbrella term 'autism' by alphabetically listing these conditions along with information about them. Aimed at parents/carers, but is quite technical.	£1	B Lightly used
	B645	The Autistic Spectrum A guide for parents and professionals. Suggests ways of improving communication, developing abilities and widening social interaction, and how to cope with stresses within the family.	£1	C Well loved
	B641	Understanding behaviour Booklet published by The National Autistic Society. A basic overview of some of the behavioural difficulties that may be experienced and how to respond.	£1	A Like new
	B638	Challenging behaviour and autism Book published by The National Autistic Society. A guide to preventing and managing challenging behaviour for parents, teachers and carers.	£1	B Lightly used

Image	ID Code	Name and description	Cost per week	Quality

Ages 8 +	£1	A Like new

JIGSAW Thornbury SENsory Lending Library

Frequently Asked Questions from members

Why isn't the item I want available?

We're sorry about that. Not all of our stock is available yet, so please contact us so we can prioritise which items to prepare. If the item is available to borrow but someone else has it at the moment, we will add you to a waiting list.

If the item you want is not already in our stock, we will consider your suggestions on a 'wish list' for future purchases.

Can I donate to the Lending Library?

Thank you so much for thinking of us! If you're interested in donating a book or item, please contact us.

If you would like to support us in other ways, you can find more information at <https://www.jigsawthornbury.org.uk/join-in-with-jigsaw/>.

Who do your age ranges apply to?

The ages listed are for the user of the item, for example the person reading the book. We provide the ages suggested by the manufacturer or author, but everyone is different and they may not apply to your family.

I'm not sure what to borrow, can you help?

Yes, please contact us or drop in to have a chat. Please bear in mind that we are not Occupational Therapists or other specialists, but we will do our best to point you in the right direction according to your family's needs.

My child's school would like to borrow something, is that possible?

Yes! We will need to agree the details, so please ask them to contact us.

What if I love an item so much that I want to buy it?

Our items are not for sale, but we are more than happy to tell you where we got something if we know!

I love an item and I want to buy it, but it is too expensive.

There are sometimes grants available for buying items like ours. Grants are money from charitable organisations that don't need to be paid back. You could investigate whether you are eligible for the Family Fund (<https://www.familyfund.org.uk/>) or use a grant search tool, such as <https://grants-search.turn2us.org.uk/>

Why do some items cost more than others?

We calculate our loan costs according to the value of an item, how much it has been used and how many times we think we can lend it before it needs to be replaced. If something gets used at JIGSAW when it is not out on loan, for example at groups, this also increases the loan cost. The income from loans does not cover the Library's running costs, but we keep prices as low as we can.

What do I do if I can't afford the cost of a loan?

We may still be able to lend you items. Please feel free to contact us for more information.

I don't live in Thornbury. Can I still borrow something?

You have to either be a member of JIGSAW Thornbury or a school/relevant organisation to use the SENSory Lending Library. Unfortunately, we can only accept members from the following postcode areas: BS, BA, and GL

My family member doesn't have a diagnosis. Can we still borrow something?

Yes! JIGSAW Thornbury doesn't require a child/young person to have a diagnosis for you to access our services. Our items are suitable for a wide range of abilities and ages.

Are there services like this elsewhere?

Yes. We hope that we can help, but we always encourage families to do what is best for you. We can't accept responsibility for any other organisations, of course!
Not too far from us, you could have a look at Gympanzees or Allsorts. You could also try searching the internet for "toy library" or similar terms.
